THIRD REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

Henry C. Yuen, SPE (571-272-4856), instructed us to file another Request for Corrected Filing Receipt and Request to Examiner to Acknowledge Proper Priority.

We received the Updated Filing Receipt dated September 13, 2004 with respect to the above-identified patent application. We noticed some errors on the Updated Filing Receipt. Two application serial numbers are missing from the section entitled "Domestic Priority data as claimed by applicant."

Applicants respectfully request that the following be added to the section entitled "Domestic Priority data as claimed by applicant":

This application is a CIP of U.S. Serial No. 10/340,352 filed on 1/10/03 which claims benefit of U.S. Serial No. 60/396,577 filed on 7/16/02

Attached is a copy of the Declaration as filed.

A copy of the Filing Receipt for this application with the requested correction noted thereon is attached.

A brief history is below:

August 12, 2004 - 1st Request for Corrected Filing Receipt filed.

August 31, 2004 - Response to Request for Corrected Filing Receipt received (priority paragraph missing indication of relationship to '352 application).

January 5, 2005 - Preliminary Amendment clarifying relationship to '352 application filed.

January 5, 2005 - 2nd Request for Corrected Filing Receipt filed.

January 11, 2005 - Response to 2nd Request for Corrected Filing Receipt received which indicated that "A claim for priority cannot be made based on an application filed after the application making the claim". The reason "A claim for priority cannot be made based on an application filed after the application making the claim" is incorrect because the 10/340,352 application was filed on January 10, 2003, which is before the filing date of the current application.

We look forward to receiving a corrected Filing Receipt for this application. If you should have any questions, please do not hesitate to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Howard I. Sobelman, Reg. No. 39,038

LICENSE FOR FOREIGN FILING UNDER

Title 35, United States Code, Section 184

Title 37, Code of Federal Regulations, 5.11 & 5.15

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
